*Regional system capacity grant provided to Small Islands and Developing States (SIDS) in Eastern Caribbean and the Pacific

Note: (1) All figures are the indicative maximum allocations which eligible country partners can access, and do not reflect any grants already approved under the new operating model.

(2) Updated in December 2023, with the Board's approval of eligibility and allocation for Jordan and Lebanon (BOD/2023/12-03).

(3) Updated in September 2024, to accurately reflect (a) increase in SCG allocation ceiling for federal countries (Nigeria, Pakistan, Somalia, and Tanzania) in line with the decision of the Board's Finance and Risk Committee (FRC/2021/10-01); and (b) adjustments to GEA and Multiplier allocation ceilings for certain countries in line with the decision of the Board (BOD/2024/06-01).

(4) Updated in February 2025 to reflect the reallocation of US\$1 million from Syria's SCG to its STG allocation, per Board decision (BOD/NO/2024/09-03). Thus, the STG amount increased from US\$18.75 million to \$19.75 million, while the SCG decreased to US\$2.5 million
