The Supervising Entity and/or Managing Entity shall maintain

separate records and ledger accounts in respect of the Cash Transfers in such dedicated account or accounts and disbursements made therefrom.

3. COMMITMENT OF FUNDS BY THE TRUSTEE

Section 3.1. Commitments are always subject to availability of resources in the Trust Fund.

Section 3.2 Unless otherwise agreed between the Trustee and the Supervising Entity and/or Managing Entity, the following procedures shall apply to the commitment of an Allocation by the Trustee to the Supervising Entity and/or Managing Entity.

- (a) Once the Secretariat has notified the Trustee of (i) the approval by the Board of Directors of an Allocation or Allocations to the Supervising Entity and/or Managing Entity; and (ii) the amount the Board of Directors has instructed the Trustee to commit in respect of such Allocation(s), the Trustee shall commit Trust Fund funds in the amount so notified by the Secretariat.

Section 3.3. The amount of the Trust Fund funds committed by the Trustee to the Supervising Entity and/or Managing Entity may be adjusted as follows:

- (c) In the event that there are any unused funds from Allocations (excluding Agency Fees) for which no further expenses will be incurred or disbursements are due to be made by the Supervising Entity and/or Managing Entity, the amount of funds committed by the Trustee pursuant to Section 3.2(a) above to the Supervising Entity and/or Managing Entity shall be revised to reflect the amount of unused funds recorded by the Supervising Entity and/or Managing Entity. 4. TRANSFER OF FUNDS BY THE TRUSTEE

Section 4.1. Cash Transfers are always subject to availability of resources in the Trust Fund. The following procedures shall apply to the transfer of Trust Fund funds by the Trustee to the Supervising Entity/Managing Entity for Allocations.

- (a) *Conditions to be met:* The Supervising Entity and/or Managing Entity may request a Cash Transfer for an Allocation after commitment of Trust Fund funds for an Allocation by the Trustee pursuant to Section 3.2(a) above. The Cash Transfer Request by the Supervising Entity and/or Managing Entity shall be submitted to the Trustee in accordance with Sections 4.1(b) and (c) below.
- (b) *Frequency of Cash Transfer Request:* Every twelve (12) months (or at such other frequency as the Trustee and the Supervising Entity and/or Managing Entity may agree) the Supervising Entity and/or Managing Entity shall submit, by email, facsimile or as otherwise agreed with the Trustee, a Cash Transfer Request to the Trustee.
- (c) *Content of each Cash Transfer Request:* Each Cash Transfer Request shall be substantially in the form attached to this Agreement as Annex C, signed by an Authorized Officer, and shall indicate:
 - (i) the projected cash requirements for an Allocation or Allocations, excluding Agency Fees, for a twelve-month period (or such other period as the Trustee and the Supervising Entity and/or Managing Entity may agree) following the date of the Cash Transfer Request;
 - (ii) a statement of the net cash position (net cumulative Cash Transfers received from the Trustee for Allocations, excluding Agency Fees, less net cumulative expenditures and/or disbursements by the Supervising Entity and/or Managing Entity for Allocations, excluding Agency Fees, from the dedicated account or accounts referred to in Section 2.1) as of the date of the request; and
 - (iii) the amount of funds requested for Agency Fees, which shall not exceed the cumulative amount for Agency Fees committed by the Trustee less the amount previously transferred to the Supervising Entity and/or Managing Entity.

- (d) *Amount of Funds in Cash Transfer Request:* The amount of funds requested by the Supervising Entity and/or Managing Entity in each Cash Transfer Request shall be based on the twelve-month projections (or such other period as the Trustee and the Supervising Entity and/or Managing Entity may agree) referred to in Section 4.1(c)(i) above and the amount for Agency Fees referred to in Section 4.1(c)(iii) above, less the net cash position referred to in Section 4.1(c)(ii) above.
- (e) *Verification by the Trustee of the Cash Transfer amount:* Upon receipt of a Cash Transfer Request, the Trustee shall verify that the amount requested does not exceed the net cumulative commitments by the Trustee less the net cumulative Cash Transfers transferred by the Trustee to the Supervising Entity and/or Managing Entity. Upon such verification, the Trustee shall transfer to the Supervising Entity and/or Managing Entity the amount of funds requested by the Supervising Entity and/or Managing Entity in each Cash Transfer Request.

Section 4.2. Cash Transfers from the Trustee to the Supervising Entity and/or Managing Entity shall be made by crediting the amount to the depository account or accounts specified by the Supervising Entity and/or Managing Entity as notified to the Trustee from time to time. The Trustee shall notify the Supervising Entity and/or Managing Entity of each such transfer.

5. USE OF FUNDS

Section 5.1. Upon completing a Cash Transfer, the Trustee shall have no responsibility, fiduciary or otherwise, for the use of such funds or for Activities carried out therewith. The Supervising Entity and/or Managing Entity shall use the funds transferred to it under this Agreement for the purpose for which they have been provided.

Section 5.2. Subject to the terms of this Agreement, the Supervising Entity and/or Managing Entity shall invest all funds in the dedicated account or accounts referred to in Section 2.1 above pending their expenditure and/or disbursement in accordance with the guidelines and policies of the Supervising Entity and/or Managing Entity concerning the investment of funds in respect of which it acts as trustee. The Supervising Entity and/or Managing Entity may convert all funds received by it under this Agreement into other currencies to facilitate their administration but shall not be entitled to receive any additional funding from the Trust Fund if funds received prove insufficient to complete Activities as a result of exchange rate fluctuations. The Supervising Entity and/or Managing Entity may notify the Board of Directors if Trust Fund funds are insufficient to implement Activities for which an Allocation has been made, as the result of exchange rate fluctuations.

Section 5.3. The Trustee shall have no responsibility for collection of funds due to the Supervising Entity from the Developing Country Partner or any other entity receiving Trust Fund funds under a Grant Agreement with the Supervising Entity, or due to a Supervising Entity and/or Managing Entity from any other entity under any Activity for which there is an Allocation. When the Supervising Entity and/or Managing Entity has received any unused funds, the Supervising Entity and/or Managing Entity shall report and return such funds to the Trust Fund in accordance with Section 6 below.

Section 5.4. (a) The Supervising Entity and/or Managing Entity recognizes that, in accordance with the Misuse of Funds Policy, the Board of Directors' approval of the Supervising Entity and/or Managing Entity reflects the Board of Directors' assessment that the Supervising Entity and/or Managing Entity has policies and procedures to mitigate the risk of misuse of funds, as such misuse is defined in the Misuse of Funds Policy, and to address misuse should it occur. The Supervising Entity and/or Managing Entity confirms that these policies and procedures shall be fully applied and that the protocol set out in

paragraphs 3.c.ii, 9, 10 and 11 of the Misuse of Funds Policy shall be observed with regard to each Allocation. In addition, any investigation conducted by the Supervising Entity and/or Managing Entity may, where appropriate, involve a referral to law enforcement authorities. The Supervising Entity and/or Managing Entity shall also cooperate, in accordance with its policies and procedures, with all investigations by law enforcement authorities into possible fraud.

(b) In the event that the Board of Directors notifies the Trustee through the Secretariat that the Board of Directors has determined, following consultation with the Supervising Entity and/or Managing Entity, that Cash Transfers have been used in a manner inconsistent with the terms of this Agreement or the applicable decisions of the Board of Directors due to the action, and/or gross negligence, and/or willful misconduct on the part of the Supervising Entity and/or Managing Entity, the Trustee at the instruction of the Board of Directors shall withhold transfers to the Supervising Entity and/or Managing Entity, suspend any further commitment under the relevant Allocation, and require the Supervising Entity and/or Managing Entity promptly to return such funds to the Trustee or as otherwise instructed by the Board of Directors. If the misuse of funds was due to the action of a third party, the Supervising Entity and/or Managing Entity shall take the necessary actions within its control to address the matter, including: (a) observing the communications protocol set out in paragraphs 3.c.ii, 9, 10 and 11 of the Misuse of Funds Policy; and (b) in accordance with its policies and procedures, using reasonable efforts to recover such Cash Transfers from such third party and return such recovered funds to the Trustee; it being understood that the Supervising Entity and/or Managing Entity shall not be required to return any such funds which are not so recovered.

Section 5.5. The Supervising Entity and/or Managing Entity agrees that the Contributors, as third party beneficiaries, shall have the right to seek recourse against the Supervising Entity and/or Managing Entity with respect to any unmet or breached obligations of the Supervising Entity and/or Managing Entity stated in this Agreement.

Section 5.6. In the event the Contributors have the right to seek recourse against the Supervising Entity and/or Managing Entity pursuant to Section 5.5 above, the Trustee may: (i) assign its rights under this Agreement to the contributors or their representative; and (ii) novate its obligations under this Agreement to the Contributors or their representative and the Supervising Entity and/or Managing Entity irrevocably consents to such assignment and novation by the Trustee.

Section 5.7. The Supervising Entity and/or Managing Entity may invite the Contributors to participate in its supervision missions related to the Activities funded by Trust Fund funds. If any Contributor wishes to request to review or evaluate the activities of the Supervising Entity and/or Managing Entity funded by the Trust Fund, the Contributor and the Supervising Entity and/or Managing Entity will agree on the scope and conduct of such review or evaluation, and the Supervising Entity and/or Managing Entity will provide all relevant information within the limits of its policies and procedures. It is understood that any such review or evaluation will not constitute a financial, compliance or other audit of the Allocation. All associated costs will be borne by the contributor, unless otherwise agreed.

6. DISBURSEMENT OF FUNDS

Section 6.1. Implementation (and continuation of implementation) of Activities by the Supervising Entity and/or Managing Entity shall be dependent upon the receipt by the Supervising Entity and/or Managing Entity of Cash Transfers in accordance with this Agreement. Disbursement of funds from the Supervising Entity and/or Managing Entity to other entities shall be made in accordance with the rules and policies and applicable disbursement procedures of the Supervising Entity and/or Managing Entity.

Section 6.2. Unused funds from Allocations (excluding Agency Fees) for which no further disbursements are due to be made shall be held by the Supervising Entity and/or Managing Entity (following, when relevant, their return to the Supervising Entity and/or Managing Entity by the Developing Country Partner or other entity) in the dedicated account or accounts referred to in Section 2.1 above; provided, however, that any such funds held by the Supervising Entity and/or Managing Entity shall be reflected in the net cash position referred to in Section 4.1(c)(ii) above, so that the amount of the unused funds shall be taken into account to determine the amount of Cash Transfers to the Supervising Entity and/or Managing Entity (excluding those for Agency Fees). The Supervising Entity and/or Managing Entity shall maintain a record of any such unused funds and report to the Trustee pursuant to Section 10.2 below. Any unused funds reported by the Supervising Entity and/or Managing Entity shall be reflected in cancellation of commitments by the Trustee pursuant to Section 3.3(d) above.

Section 6.3. Notwithstanding Section 6.2 above, upon the request of the Trustee, the Supervising Entity and/or Managing Entity shall return to the Trust Fund, to such account as the Trustee may designate, any unused funds from Allocations, excluding Agency Fees held by the Supervising Entity and/or Managing Entity.

7. INVESTMENT INCOME

Section 7.1. Income earned on the investment of Cash Transfers to the Supervising Entity and/or Managing Entity (except for income earned on the investment of Trust Fund funds transferred as Agency Fees and Supervision Allocations) shall be held by the Supervising Entity and/or Managing Entity in the dedicated account or accounts referred to in Section 2.1 above until the Trustee requests the Supervising Entity and/or Managing Entity to return it to such account as the Trustee may designate. The Supervising Entity and/or Managing Entity shall maintain a record of any such income and report to the Trustee pursuant to Section 10.2 below.

Section 7.2. Income earned on the investment of Trust Fund funds transferred as Agency Fees or Supervision Allocations may be retained by the Supervising Entity and/or Managing Entity for its own account and is not required to be reported or returned to the Trustee.

8. STANDARD OF CARE

Section 8.1. The Supervising Entity and/or Managing Entity shall exercise the same degree of care and diligence in the discharge of its functions under this Agreement as it exercises with respect to the administration and management of its own resources. Subject to the terms of this Agreement, the Supervising Entity and/or Managing Entity shall do any and all such acts as may be necessary or appropriate for the proper administration of the dedicated account or accounts referred to in Section 2.1 above, and shall be accountable to the Board of Directors for the use of Trust Fund funds and delivery of Activities financed by such funds.

Section 8.2. The Supervising Entity and/or Managing Entity shall be responsible for the use of Cash Transfers and the Activities carried out therewith in accordance with: (i) its policies and procedures

(including those related to eligible expenditures, employment and supervision of consultants and the procurement of goods and works and its framework to combat fraud and corruption); and (ii) the applicable decisions of the Board of Directors, including the purpose for which the specific Allocations have been approved by the Board of Directors.

Section 8.3. Any Grant Agreement that the Supervising Entity enters into with a Developing Country Partner or other entity shall provide that:

- (a) if the Supervising Entity determines that Trust Fund funds are used in a manner inconsistent with the Grant Agreement, the Developing Country Partner or other entity shall promptly refund the Trust Fund funds to the Supervising Entity and the Supervising Entity shall promptly return such funds to the Trust Fund; and
- (b) the Supervising Entity shall only be obligated to make funds available under the Grant Agreement to the extent it has received funding from the Trustee and neither the Supervising Entity nor the Trustee shall have any personal liability to the Developing Country Partner or other entity for any shortfall in funding under the Grant Agreement.

Section 8.4. Recognizing the obligations of the Contributors under various United Nations Security Council Resolutions and the Contributors' intent that the Trust Fund funds not be used to finance terrorists, the Supervising Entity and/or Managing Entity shall use reasonable efforts, consistent with its policies and procedures, to ensure that the Trust Fund funds provided to it by the Trustee are used for their intended purposes and are not diverted to terrorists or their agents. The Supervising Entity shall include provisions corresponding to the above in any Grant Agreement that it enters into with a Developing Country Partner or other entity.

9. VERIFICATION

Section 9.1. For the purposes of verifying amounts in connection with the commitment and transfer of Trust Fund funds by the Trustee under this Agreement, the Trustee shall rely upon the information provided in writing to the Trustee by the Secretariat or by the Supervising Entity and/or Managing Entity as appropriate and shall use such information to verify the information provided by the Supervising Entity and/or Managing Entity as necessary.
